

Evaluations/Outcomes:

OUTCOME: Participants will enjoy the creative process of making their own jewelry.

1. Did you enjoy making jewelry today? Why?

RESPONSE:

Yes—good Xmas presents

Yes, relaxing and you can use it in the future

Yes, I did because I am a lady and most women love to do girly things like this

Yes: 2

Yes, because making jewelry is something I like to do.

Yes, I got to learn a new thing

Yes, because it is fun to make jewelry.

OUTCOME: Participants will learn jewelry making techniques.

2. Did you learn a new jewelry making technique today? If so, what did you learn? RESPONSE:

Yes, crimping

Yes, everything that was taught

Yes, we used different kinds of string for them and makes jewelry that is actually beautiful

Yes, I learned how the end of the bracelet works. My first time but had fun.

OUTCOME: Participants will check out crafting books.

3. Will you be checking out any of the Library's jewelry making books in the future? RESPONSE:

Maybe: 3

No: Probably not, maybe in the summer or when I'm older I will pick up the hobby.

Yes: I have no time!

Maybe someday
