JOIN THE COMMUNITY READ THE BOOK

GREAT Theatre was awarded a National Endowment for the Arts Big Read grant. The Big Read is a community-wide reading initiative designed to bring an entire community together through reading and discussing the same great book. Central Minnesota residents, friends, co-workers, neighbors and strangers read the same book and join together for thought-provoking discussions and other Big Read events.

Join us in discussing Harper Lee's To Kill a Mockingbird. It is the rare American novel that can be discovered with excitement in adolescence and reread into adulthood without fear of disappointment. Few novels so appealingly evoke the daily world of childhood in a way that seems convincing whether you are sixteen or sixty-six.
